Sniper: Ghost Warrior 2 is a tactical shooter game developed and published by City Interactive for Microsoft Windows, PlayStation 3 and Xbox 360. Based on the sequel to the 2008 tactical shooter Sniper: Ghost Warrior. The plot of the game begins immediately after the events of the first part. As in the previous game, here we have to destroy militants, terrorists and white collars. But this time, in addition to ordinary enemies, we will also meet representatives of the "third party", namely terrorist fanatics. Compared to the first part, the gameplay of the game has become even more dynamic.
