
13 item. Please be aware that your comments are logged. Comment is spam: Please support me and Watch Ceneoiu TV when you can! I have no huge budget but I'm a huge fan of Storytelling and Good Quality Production. Please enter the code below to activate your account. Thank you. In this video we will talk about how to insert images or videos in the iMovie project, if you're using iMovie 6 we'll show how to do that. We'll also show you how to assign a link to the clip, if you're looking for more information on how to add audio to a video project there is a great tutorial on how to do that. To get the most out of this video here are some tips: get your hands on the latest version of iMovie, if you're on macOS Mojave use the latest version available for Mac: Apple introduced a new feature named 'Movie Clips' this allows you to add images or videos to your iMovie project. so how do you add clips to your project? Let's see the exact steps to do it! You can only drag and drop the movie or the image on the timeline. In this video we will show you how to add an image or video to your iMovie project! Let's see the exact steps to do it! what is your opinion about this video? would you like to see a new video? please comment and share this video! thank you! how would you like to see a new video? please comment and share this video! thank you! How To Make Money Online Quick And EasyLegal | Sitemap | Privacy Policy | Terms Of Use | Affiliate Disclosure | DMCA Notice | Business Disclaimer | Privacy Policy | Help | FAQ | Affiliate Disclosure | DMCA Notice | Business Disclaimer | Privacy Policy | Help | FAQ | Open Box Edition Spinner Voice Over Download ("Voice in"), (Trade Out), (Text to Speech), (If you'd rather download the audio version of this lesson you can do so by clicking the play button at the top of this screen) we will take a look at how to go about adding audio to a video project. The reason we do this is because sometimes when you record video of your character or story the audio may not be very good. Many times you see a post or a mention of someone's video and you wish there was an audio 1cb139a0ed
