Movie.Unless you were

put in a coma by a security guard or collared at the airport, you probably never saw the black Mercedes-Benz 600 with the curious German vanity plate reading "DUDER SAG UNS," parked in front of your sister's building in Rotterdam. The car was blocking the street, and in fact the paperwork was

found at the scene.
And no, a burglar
didn't steal it, though
with the valuable plate
out in the open, it's
quite possible the car
was targeted. The
story follows a classic
car heist formula with
unexpected twists. It
all began with a
breaking and entering.
