In this book, Gomes explores hedonism and the hedonistic approach as applied to materialism, renunciation, asceticism, and detachment. It is a call for a new epoch of love which the author calls the "Love of the Self." He writes the Call of the Soul and is particularly concerned with human freedom, the soul, the meaning of life, asceticism, and the nature of man. "The author offers a new ethic that challenges the dominant "pragmatism" of today's... This book contains five essays on the themes of freedom, religion and secularity in Brazil.
