It is compatible with very We are a service oriented company based in India, We can provide you the best source and cheap price for Vector Editor, Vector Viewer, Vector Lab. and other graphic software related Products. We will meet your satisfaction. Image copyright AFP Image caption Protests in Hong Kong are being held under the banner "I want genuine democracy" Hong Kong's leader has said the city's political crisis is "hardly a match" for the world's worst political crises, such as in Syria and North Korea. Citing his city's history of compromise,

Edward Leung said his top priority was to resolve the unrest and heal the wounds of Hong Kong's semi-autonomous status. Despite the dire warnings from North Korea, he said people in Hong Kong were far from being "cowed by the force of arms".
